Subject: check-in/catch-up on EMF

Hi, Jannine and Jonathan –

Kay and I would like to check in with you 2 (and you too, Beth, if you want to join in) on how things went in Pocatello, and what is needed in the immediate term (a mailing of the fact sheet was suggested by Beth) and in the longer term, i.e., what the next milestones are for public involvement/outreach in the next 6 mos? 1 year? longer? sooner? If this day/time doesn't work, please feel free to suggest another (ideally this week).

Thanks! – Julie
